

Stagecoach 100 mile run 21-22 September 2019:

The Stagecoach Run is our most challenging event. This year the event organizers have added a 100 mile bicycle race on essentially the same course. These riders will start an hour earlier than the runners; the event staff plans to track these bicycle riders.

Here are the locations and assignments as of 7 September. We need additional radio operators at Hull Cabin and Watson Tank. Who can help at these locations? Since circumstances change, we also need a few backup operators.

Start [Mile 0] Tactical Call: Start

0600-0830 Saturday

KE7QFG Pat

KF7HSD Al

Kelly Tank [Mile 21] Tactical Call: Kelly Tank

0900-1430 Saturday - Very busy location
