Thank you all for helping with this last event of the year! Attached is the map and locations. This is a slightly changed map from one I sent before. The yellow line shows how to get to the start. Registration starts at 8:00 so it should be obvious where the start is.

Be sure to bring your orange vests, water, chair, sun protection (all the regular stuff)

The race starts at 10:00, try to be at the start by 9:00 so we can be at our stations by 9:30. We will use the Mt Elden Repeater frequency 146.980. I will bring donuts or such to the start.

If you have any questions please call me (928-660-8323) or email me.

See you there and thanks again.
